What our students say.....

"The perfect mix of theoretical and practical experience makes the Pinnacle faculty one of the best in the city. Their innovative approaches tailored to each subject leads to conceptual clarity that will enable you to crack even the toughest of papers with ease. Highly recommend any aspiring CA to join."

- **Anirudh Agarwal**
AIR 4th - CA Final May 2019,
AIR 4th - CA Inter. May 2016

"The professors at Pinnacle have done their best to ensure conceptual clarity. They were very approachable and never hesitated from solving our queries. The portion was scheduled and completed well in time. The prelim exams were also exactly held the way ICAI exams are, including the timetable and the paper pattern, which reduced my stress to an extent while appearing for the final exam. The papers were corrected and provided well before time, thereby ensuring that we understand areas where we are lagging or making mistakes. The notes were also very reliable and had language which was exactly expected of us by ICAI."

- **Avadhoot Rakvi**
AIR 24th - CA Final May 2019

"I'd like to thank Pinnacle Education for being able to teach this mammoth syllabus with conceptual understanding, practical explanations in a very crisp and precise manner. Their constant push and prompt guidance helped me achieve this feat. I'll always be grateful to the faculty and the institution for playing an important role in my professional life."
