- **Priyanshu Jain - HR College**

- **12th Result : 97/100 (Accounts), 98/100 (Mathematics), 95/100 (Economics)**

Pinnacle has been of paramount importance in helping me with my concepts and studies in 11th. Although we've had to resort to online lectures during this period, they've been quite smooth-sailing and I've been able to grasp concepts well. My classroom experience during 11th was very engrossing with interactive lectures given by a very knowledgeable teaching faculty, all of whom were always open to doubts.

- **Drishti Patrawala - HR - 11th Academic Year 2019 - 20**

Online lectures have been very well organised and teaching of the each faculty is amazing, who not only make us learn but also make sure of us understanding each and every concept taught in class. Technology has been put to a very productive use at the time of this pandemic. Online lectures feel just like classroom. Speaking of classroom, we experienced having all the possible comforts and ofcourse the best teaching of our teachers. Thank you Pinnacle!

- **Pujit Shah - KJ Somaiya (A&C) - 11th Academic Year 2019 - 20**
