What OUR STUDENTS have to SAY !

"The perfect mix of theoretical and practical experience makes the Pinnacle faculty one of the best in the city. Their innovative approaches tailored to each subject leads to conceptual clarity that will enable you to crack even the toughest of papers with ease. Highly recommend any aspiring CA to join."

- Anirudh Agarwal

AIR 4th - CA Final May 2019,

AIR 4th - CA Inter. May 2016

"The professors at Pinnacle have done their best to ensure conceptual clarity. They were very approachable and never hesitated from solving our queries. The portion was scheduled and completed well in time. The prelim exams were also exactly held the way ICAI exams are, including the timetable and the paper pattern, which reduced my stress to an extent while appearing for the final exam. The papers were corrected and provided well before time, thereby ensuring that we understand areas where we are lagging or making mistakes. The notes were also very reliable and had language which was exactly expected of us by ICAI."

- Avadhoot Rakvi

AIR 24th - CA Final May 2019

"Pinnacle has helped me to gain concept clarity in all subjects which are very crucial for pursuing CA and also gives individual attention to each student which is missing in most of the classes. I highly recommend to be a part of Pinnacle family!"

- Mayank Jain

AIR 45th - Final CA May 2018

"Interactive studies, individualized student attention and cultivating conceptual understanding are virtues which made Pinnacle the most reliable mentor for my Final CA preparations. I recommend Pinnacle Education to all CA aspirants!"

- Vatsal Modi

AIR 42nd - Final CA May 2018

"The proactiveness shown by Pinnacle Education just shows how much they are concerned not only about imparting quality education but also without wasting time in difficult situations like these. The online platform not only provided effective communication with the professor with ability to ask doubts but also teach through PPTs for ease in learning. As a Final CA student when time is of the essence, I would like to thank the Management to ensure our lectures are conducted on a timely basis."

- Nirmal Khirani

Current CA Final Student.

"Since COVID-19 has got us all home it was great to make use of the idle time by learning through the online platform which helps us to be in track with the huge syllabus of CA final. Also a good use of new era technology which just makes it more convenient and harmless."

- Kush Ganatra

Current CA Final Student.
